

ADVOCACY CENTER

All children and adolescents need skills in order to be successful adults. As you are currently living in a child residential facility, staff should be providing a program of training in independent living skills.

Are you receiving training in:

- ❖ hygiene and grooming?
- ❖ family life?
- ❖ sex education, including family planning and venereal disease counseling?
- ❖ laundry and maintenance of clothing?
- ❖ appropriate social skills?
- ❖ housekeeping?
- ❖ use of transportation?
- ❖ budgeting and shopping?
- ❖ cooking?
- ❖ punctuality, attendance and other employment related matters?
- ❖ use of recreation and leisure time?

The Advocacy Center wants to make sure that you are prepared for life on your own. If you have further questions or comments after today's discussion, please call us at 1-800-960-7705 (Voice) or 1-866-935-7348 (TTY). You can call 24 hours a day. Leave a message with your name, the name of the facility, your telephone number and the best time to contact you and someone will call you back as soon as possible.
